COMFORT FOR EVERY BODY

Standard Adjustability

Change seat and footrest height and space between armrests to match body type.

Larger Option

Standard generously sized seat. Optional extra-wide seat. Larger footrest available.

BESPOKE HANDMADE RAIL

Precision Fit

Gains maximum open space on steps and allows for multiple optional configurations such as extended, 90 and 180 degree park positions.

Covered Gear Rack

Reduces exposure to grease, gives sleek appearance and creates a child- and pet-friendly environment.

SAFE, SIMPLE OPERATION

Easy Operation

Glide stairlift up and down by pushing an armrest control paddle. Two wireless remotes also included.

Swivel Exit

Rotate seat up to 90° at top of stairs, and lock in place, for safe exit. Seat belt and obstruction sensors also standard.

PEACE-OF-MIND DEPENDABILITY

Continuous Charge

Battery-powered operation ensures performance even during power outage.

Lifetime Limited Warranty

Superior engineering backed a comprehensive warranty.

SPECIALIZED OPTIONS

Power Footrest

Fold seat and the footrest will automatically fold. Ideal for those with back problems or inability to lean over.

Power Swivel

Push an armrest control to swivel seat to exit. Good for people without dexterity to lift seat lever or ability to guide swivel action with feet.

Wider Seat

Increase size of Elite seat from 457 mm x 381 mm to 572 mm x 419 mm.

Wider Footrest

Increase size from 254 mm x 229 mm to 305 mm x 279 mm.

Park Positions

Extend the rail at the top or bottom of stairs or wrap around 90° or 180° to exit far away from stairs or keep stairlift out of view. Add mid-rail park charging position when landing between two stairs.
